Hon. Frank Oliver,

Dear Mr. Oliver:-

As you are aware an act was passed in 1908 granting scrip to South African Veterans. Shortly after the act was passed a claim was filed by [illegible] to recognize the validity of any assignment of South African scrip made prior to the passing of the Act. As you are also aware an act was introduced in the Session of 1909, whereby a Resolution was passed, recognizing the principle of granting South African scrip upon the strength of the number of assignments of scrip then given. I myself have a letter of assignment in the City of Calgary and many others are from Superintendent Johnson to Thomas Reilly by which Johnson assigned all his right, title and interest in any South African scrip which might thereafter be issued to him. Mr. Reilly paid Johnson twenty dollars for $160. In some cases after the passing of the Act, Reilly refused to execute a power of attorney to Reilly and would sell his scrip to a Calgary man for the sum of $40. and subsequently disappeared.

Dear Sir,

We are acting for Mrs Martha Robinson of this City whose brother, Charles Pearson Wyatt, was a soldier in the South African Contingent, and died on March 10, 1903. It appears that his representatives become entitled to a land grant from the Government of Canada, and our client tells us that this grant has recently been secured by one, Wm. P. Wyatt, of West Toronto, a brother of the deceased. Our client was the sole devisee, if we remember correctly in the deceased young soldier's will. Will you kindly let us know how he became entitled to the land grant to the entire exclusion of all the other brothers, as our client thinks she ought to have some interest in the transaction. Kindly oblige us.

23rd March, 1909,

Gentlemen,

I am directed to inform you that since my letter of the 5th instant was mailed to you in reply to your letter of the 20th ultimo, by which you stated that you were acting for Mrs. Martha Robinson, a sister of Charles Emerson Wyatt, deceased, South African Volunteer, in favour of whose legal representative a warrant, No. 3218, has been issued, and that Mrs. Robinson claimed to be solely entitled to the warrant under a Will of the deceased, letters of administration to the estate of the late Charles E. Wyatt, have been received here. By such letters Mr. William E.Wyatt has been appointed sole administrator of the estate of the late Charles E.Wyatt, as his eldest brother, and as George Walter Wyatt and Chester A.Wyatt, other brothers of deceased had renounced their rights to such administration in favour of William E.Wyatt. The latter as such administrator must, therefore, be recognized as having established his claim to be "the legal representative of Charles E.Wyatt, deceased," named in the Warrant, No. 3218, and he will also be recognized and the usual certificate to locate lands, under that warrant, will

The Secretary,

Re Robinson & Wyatt. Your no. 1738359.

Dear Sir,

Many thanks for your letter of the 23rd inst. herein. Before Chas Pearson Wyatt died he made a will leaving everything to his sister Mrs Martha Robinson. That will was proved in South Africa, and we have some little time since sent to the Judge of the Court of Orange River State in South Africa for an exemplification of the will. Two things may delay its coming; first the long distance of that place from here, and secondly, since the will was probated there, the entire system of government there has been revolutionized. But we sent away the fee that was asked, and we expect the exemplification to arrive in due course. We have also sent to the man who was executor, a Renunciation in favour of Mrs Robinson, our client, and expect it will be executed and returned to us also in due course. We may say that we laid the copy of the will which we have before the Surrogate Registrar here and he refused to issue administration saying that no matter how old the will was, or how far away it had been probated, that letters of Administration could not issue. Our client also instructs us to say that before Letters of Administration could issue some one familiar with the matter must swear that there was no will, and it is a surprise to us that this could be done, because Mrs Robinson says that everyone of the family knew that there was a will. On Jan. 13, 1909 we ourselves wrote a letter to Wm. E. Wyatt in which we stated that ~~he had seen~~ a will had been left by the deceased. Under these circumstances we would respectfully ask you to defer the issue of the warrant so as to enable this matter to be investigated. Kindly let us hear from you.

Yours truly,

EARNGEY & HASSARD.

(1)

U.S. We enclose you copy of the will and letter attached to it in our possession, to show you our client's bona fides in the matter. We also enclose you certificate of issue of money order No. 40507 on May 15, 1913, to The Hon J.A. Collins, the Judge at Bloemfontein, for $1.50, it being stated in the enclosed letter that 3 shillings were the foster copy of will. And it seems to us that your department should to some investigation in the matter, to see if perjury has not been committed in securing the Letters of Administration, and if a fraud is not sought to be practised upon your department, to secure the land Grant in question.

Ottawa 25th March, 1909,

Sir,

Upon the 16th instant the original letters of administration which you issued upon the 16th instant in the matter of the estate of Charles E.Wyatt deceased, in favour of William E.Wyatt, were received in this Department, and a copy has since been received here of a will made by the deceased the effective portion of which is as follows :-

"After payment of my just debts and funeral expenses I give to my sister Martha Robinson, Toronto Junction, Toronto, Ontario, absolutely for her sole and separate use, her receipt alone being a sufficient discharge, the whole of my estate and effects and everything that I can by law give or dispose of."

As stated in a letter of to-day's date to Mr. William E.Wyatt, the administrator, before referred to, it is evidence you had no notice or knowledge of this will when you granted Mr. Wyatt letters of administration in the matter of his deceased brother's estate, and I am, therefore, to ask you to favour this Department with certified copies of the affidavits upon the authority of which you granted such letters.

Copies for Messrs.

Mr. Featherston, herewith.

Ottawa 25th March, 1909,

Sir,

Upon the 23rd instant there was mailed to your address a copy of my letter of that day's date to Messrs. Garngey & Hassard, Barristers, Toronto, respecting the warrant, No.3218, which has been issued under the provisions of the Volunteer Bounty Act 1908, in favour of the legal representative of Charles Emerson Wyatt, deceased, and to inform you that since the date of that letter the above named firm has furnished this Department with a copy of a will made by the deceased by which he devised to his sister Martha Robinson the whole of his estate and effects and everything that he could by law give and dispose of.

It is certain by the above mentioned document that Mrs. Robinson is at least entitled to an interest in this grant, if, indeed she is not the person solely entitled or at all events solely entitled to administer it, and it is also certain that if Mr.Featherston, the Registrar of the Surrogate Court of the County of Carleton, had knowledge of such will he would not have issued in your favour, as the sole administrator of your deceased brother, the letters of administration of his estate, dated the 10th instant, which has since been filed here. A copy

129 Lakeview Avenue,
Toronto, Ont.,

copy ofthis letter has therefore been mailed to W. Featherston under cover of a letter requesting him to furnish this Department with copies of the affidavits upon the authority of which he issued such letters of Administration in your favour.

It is scarcely necessary to add that the preparation of the certificate to locate lands under the warrant in this case will not be proceeded with, in favour of either yourself, or Mrs. Robinson, as the legal representative of Charles F.Pyatt, deceased, until everything connected with this case has been cleared up, and until it is certain who such representative is.

A copy of this letter has also been mailed to Messrs. Farmey & Bassard.

Dear Sir,

On Feb. 13, 1911, we wrote you regarding a land grant for services rendered by a South African Veteran, Charles Emerson Wyatt, now deceased, and whose land grant we are instructed has been given out to a brother Wm. E. Wyatt. We wrote you to inquire why the one brother W. E. Wyatt was preferred and had this grant made to him to the exclusion of others of the family, including his sister, our client, Mrs. Martha Robinson. Will you kindly advise us regarding this matter.

Gentlemen,

I am directed to enclose, herewith, with further reference to your letters of the 2nd and 24th ultimo, a copy of my letter of this day's date to the Registrar of the Surrogate Court here.

The copy which you have furnished of the will of the late Charles E.Wyatt is not sufficient to warrant this Department in much longer delaying the issue in favour of William E.Wyatt, as legal representative of the deceased, of a certificate to locate lands under the warrant which has been granted upon his application in this case.

By one of the papers referred to in the enletter of which a copy is herewith enclosed, it appears that "the deceased died without leaving father or mother but leaving six brothers and one sister." It appears by another of such papers that Mr. William E.Wyatt made the usual necessary search for a will and could not find one; by a third of such papers it appears that one of the brothers, George Walker Wyatt renounced all his right and title in this matter in favour of William E.Wyatt, and by a fourth of such papers it appears that Chester A.Wyatt assigned all his

20th April, 1909,

Sir,

I am directed to acknowledge the receipt of your letter of the 27th ultimo, and the papers which you kindly furnished to this Department with that letter, in response to the request in my letter of the 25th ultimo, being copies of certain papers upon the strength of which letters of administration were granted, by the Court of which you are Registrar, in the matter of the estate of Charles E.Wyatt, deceased to a brother William Wyatt. The papers have been examined and appear satisfactory, but Mrs. Martha Robinson, a sister of the deceased, who is opposing the claim of her brother, William Wyatt in this matter, will be given a reasonable period within which to establish the claimof the executor of her deceased brother, one Captain Beere, named in the will referred to in my letter to you of the 25th ultimo, to be the legal representative of the deceased in the matter for which letters of administration were obtained by Mr. William E.Wyatt.

Again thanking you for your prompt and courteous compliance with the request in my letter of the 25th ultimo.

I, Ethel Williams, of the City of Toronto, in the County of York, Clerk, in Secretary's Office, make oath:-

1. I am the typist to Capt. Phillips who prepared the declaration of the [illegible] dated the 1st April 1919 herein. The declaration was taken by A. E. Bassett, A Commissioner &c., in Toronto.

2. I have read over carefully the two [illegible] of the said declaration of said Capt. Phillips, and I say that the facts set forth therein are true and correct in every particular. The said William E. Watt mentioned in my said solicitor's declaration (being the declaration of said Capt. Phillips) did know that Charles F. It was in my mother's house at 53 Bartlett Avenue, Toronto.

And I make this solemn declaration conscientiously believing the same to be true and knowing that it is of the same force and effect as if made under oath and by virtue of the Canada Evidence Acts;

IN THE MATTER of Charles E. Wyatt, late of the City of Ottawa, in the County of Carleton, Saskatchewan, and an application for land grant in respect of the, the Province of Canada, and of File No. 1758152 in the Department of the Interior:

I, Walter Barrington of the City of Toronto in the County of York, in Province of Ontario, Warrant Broker, do Solemnly declare

1. That I am a nephew of the above named Charles E. Wyatt. I have had occasion in the course of the correspondence between the Department of the Interior and my lawyers Messrs Barrow & Hastead, among other things dated April 10, 1913 from F. C. Wood to my said lawyers. The statement that William E. Wyatt made the usual and necessary search for a will and could not find one in his possession. I received a copy of the will of my late uncle Charles E. Wyatt some years ago, and the year since that I was at the possession of my other uncle the said William E. Wyatt, and removed the copy to his wife. A week or so after that I was again at the possession of said William E. Wyatt, and told him about the will and that my wife had the copy of said Charles E. Wyatt and said William E. Wyatt said he would like to make good use of the copy.

2. That before Christmas last (1913) said William E. Wyatt called me at my home 63 Hazelhurst Avenue, Toronto, and asked me for the copy of the will of said Charles E. Wyatt, as all my papers and all he would get the land grant from the Province of Canada for me, as I said I had some my said lawyers and gave them the copy of will and papers, as they would get my lawyers Messrs Barrow & Hastead would get the land grant for me. He was with me for several hours on that occasion and the will aforesaid was discussed very frequently by the said parties.

3. That after Christmas 1913 said William E. Wyatt called on me at my home again and asked for the will, or discussed it, and he said he thought he could get the land himself and that the will had nothing to do with it, because the said Charles E. Wyatt did not own the land or was not entitled to it at the time he made the will, or before he died.

4. The said William E. Wyatt came again to see me about January 1914, a little while after New Year's, and offered me $100.00 for my interest in the land, to be secured by the said Land Grant from the Province of Canada, and discussed his intentions respecting it. I verily believe and know that the said William E. Wyatt knew and believed that said Charles E. Wyatt had died leaving a will, and said William E. Wyatt was particularly aware of that fact, and if he ever came to the conclusion to swear to what was not true, knowingly, deliberately, and with the express intention of defrauding me of what I believe are my just rights, and of depriving or withholding the Government of Canada;

5. I have always said I intend to take steps to obtain for me a conveyance of the said will of said Charles E. Wyatt, from both parties, and they have done so, and I believe it will take some week still to obtain it. They wrote for it and sent away the fee for same about a month ago, and expected to receive it daily to forward to Ottawa but not yet obtained. Unless this or a letter is not had, I shall be obliged only of my said

Sir,

Since a copy of my letter of the 20th instant to Messrs. Barngey & Hassard, Barristers, Toronto, was mailed to your address, there have been received here two statutory declarations one made by Mrs. Martha Robinson and the other by Miss Ethel Robinson, of which copies are enclosed, herewith for your information. Copies of these declarations and of this letter have also been furnished to Mr.J.P. Featherstone, Registrar of the Surrogate Court of the County of Carleton, from whom you obtained letters of administration in your favour appointing you to be administrator to the estate of the late Charles E.Wyatt, upon the strength of certain papers and affidavits filed with him, Mr. Featherstone, by you, including an affidavit to the following effect :-

"I William E.Wyatt, of the City of West "Toronto, in the County of York, Conductor, make oath and say :-

"That I am the party applying for administration of the property of the said Charles .Wyatt late of the City of Ottawa, in the County of York, clerk, deceased.

That I have made diligent and careful search in all places where the deceased usually kept his papers and his depositories and in the office of the Registrar of this Court in order to ascertain whether the deceased had or had not left any will, but that I have been unable to discover any will, codicil or testamentary paper and I verily believe that the deceased died without having left any will, codicil or testamentary paper whatsoever."

Wm.E.Wyatt, Esq.,
129 Lakeview Avenue,
Toronto, Ont.,

It is scarcely necessary to state that under the circumstances no action can be taken here towards the issue of the certificate to locate lands under the warrant, No.3218, which was issued upon the 17th December last in favour of "the legal representative of Charles E.Wyatt, deceased,"

I am to add that it has been decided that it is but fair to all parties concerned in this matter, including yourself, to furnish Messrs. Farmgey & Passard, and Mr. Featherston, each with a copy of your letter of the 31st ultimo. Apparently your view is that the will under which Mrs. Robinson claims to be solely entitled to the grant under the warrant before referred to is not sufficient to support her claim. Whether it is or not the fact of your knowledge of its existence should it is considered here have been made known to Mr. Featherston.

Ottawa 15th May, 1909,

Gentlemen,

I am directed to acknowledge the receipt of your letter of the 12th ultimo stating that you have issued a writ to set aside the letters of administration that have been granted to William F.Wyatt, in the matter of the estate and making several requests.

Your request for the return to you of the copy of the will of the deceased and the two papers which with it were received here under cover of your letter of the 24th March last can be complied with and such copy and the two papers in question are enclosed herewith.

Your request for further delay in any action here in the preparation of the certificate to locate lands under S.A.V.Warrant No.7218, is also complied with, as you will see by a copy which is also enclosed herewith of my letter of this day's date to Mr. Wyatt.

Ottawa 15th May, 1909,

Sir,

I am directed to inform you in reply to your letter of the 5th instant that it is not within the Province of any one connected with this Department to consider or decide the difficulty that has unfortunately arisen between Mrs. Robinson and yourself as to the existence of a will made by the late Charles Emerson Wyatt or as to your being entitled to be the administrator of his estate but there appears to be no doubt that he did execute a will in favour of Mrs. Robinson, dated the 19th March, 1903, and that such will was duly "proved, admitted and registered" in the proper office at Bloemfontein upon the 8th September of the same year, according to a certificate to that effect of the master of the Court, James A. Collier,

Neither is it within the province of any one connected with this Department to decide whether Mrs. Robinson is solely entitled under such will to the grant referred to in the warrant, No. 3218, which was issued in favour of the legal representative of the late Charles Emerson Wyatt upon the 17th December last, under the provisions of the Volunteer Bounty Act

Wm. F. Wyatt, Esq.,

Act, 1908, or whether the other next of kin of the deceased are jointly entitled to share in such grant with her.

At the same time I am to state that if the Department has issued the certificate to locate lands under such warrant in your favour as representative of the deceased, upon the strength of the letters of administration you obtained to the estate of the deceased it would have been your duty to have dealt with the matter in the interest of and for the benefit of Mrs. Robinson if she is solely entitled to the grant or in the interest and for the benefit of her and the other next of kin of the deceased, yourself included if she is not solely entitled under the will.

I am to add that no action will be taken here towards the preparation of the certificate to locate lands until the difficulty has been settled - either amicable or in the Courts.

Dear Sir;- —No ~~1750968~~

Yours of February 22nd addressed to John McKen has been handed to me. Mr. McKen informs me that his son William died intestate unless a Will was made an left with the Department of Militia prior to his embarking for South Africa.

William McKen did not leave any estate except the sum of $128.82 which was forwarded by the Department of Militia on October 4th 1902 to his legal representative John McKen. The only other estate which McKen possessed will be the scrip or land warrant issued by your Department to him as a Canadian Volunteer in South Africa.

Neither letters Probate nor Letters of Administration have been taken out as it is unnecessary unless you require it in your Department before the scrip or land warrant can issue to his legal representative.

I may say that William McKen died was unmarried, his father John McKen is still living so that John McKen is the sole legatee under the Law and I should think an affidavit verifying that fact should be sufficient for your Department.

In any event kindly let me know what is required so the scrip or land warrant can issue to John McKen.

Yours truly,

Wm R Brown

Ottawa 19th March, 1909,

Sir,

I am directed to inform you, in reply to your letter of the 8th instant, that in all cases of volunteers to whom the provisions of the Volunteer Bounty Act refer, and who died intestate, letters of administration of his estate, or a copy thereof certified to be a copy by the proper officer of the Court from which the criminal letters are obtained, must be furnished to this Department to establish the claim of any person or persons who claim to be the legal representative or representatives of the deceased. In no case has any exception been made and in no case can one be fairly made. It is not possible for any one connected with this Department to test the correctness of statements in affidavits or releases, as evidence in lieu of letters probate or letters of administration and it has been therefore decided that such latter evidence and that evidence only can be accepted in these cases.

Madam,

Replying to your letter of the 22nd ultimo, I am directed to inform you that the Volunteer Bounty Act, 1908, of which I enclose a copy, makes provision for issuing the Bounty grant to the legal representative of the deceased volunteer. The legal representative would have the privilege of taking the land grant in person, appointing a substitute under the form in the Act, of which form a copy is enclosed herewith, or of accepting scrip in lieu thereof for $160.00. This scrip is redeemable at its face value by the Government in payment for land bought from the Government. Application to share in the grant as the legal representative of your deceased husband should be made through the Department of Militia and Defence, which Department should be furnished with full particulars as to his service. If you are in possession of his certificate or discharge you should forward it to that Department.

As you state that you wrote to the Militia Department some time ago but never received any reply, a copy of this letter is being sent to that Department.

Ottawa, 6th February, 1909,

Madam,

I am directed to inform you that since my letter of the 2nd instant was addressed to you it has been decided that in all cases of claims of legal representatives of deceased volunteers under the provisions of the Volunteer Bounty Act, 1908 the person claiming to be the legal representative of the deceased volunteer must furnish letters probate of the will of the deceased, if he left a will, and, if not, letters of administration.

I am also to state that if the original letters probate, or letters of administration, as the case may be, cannot be ~~xxxxxxxxxxxxxxxxxxxxxxxxxxxx~~ filed here, a copy thereof will be accepted, but such copy must be ~~x~~ certified to be a true copy of the original letters by the proper officer of the Court from which the original letters were obtained.

It was thought, when the form of which a copy was mailed to you under the cover of my letter of the 2nd instant, was prepared, that it would be possible to save the applicants the expense of taking out letters probate or letters of administration as the circumstances of the case strictly demanded, but

Sir,

I am directed to inform you, with reference to one of the four South African Volunteer Bounty cases referred to in your letter of the 9th ultimo, namely, the claim of Mrs. Susan Purcell to be the legal representative of herdeceased husband, Edgar Samuel Purcell in connection with Warrant No. 3272, that Mrs. Purcell has established that claim to the satisfaction of this Department by letters of administration issued in her favour upon the 26th ultimo, and that the usual certificate will now be issued and mailed to her at once. If you will now write separate letters of enquiry with regard to each of the three other claims referred to in your letter of the 9th ultimo, namely, the cases of "George Orman," "Princetto Joyce," and "William Wilhey" you will be advised at once how they stand.

I am to explain that the correspondence and papers relating to each case of deceased South African Volunteer claims are made a separate file here, and that correspondents greatly facilitate action here and save the Department much unnecessary trouble by confining each of their letters to one case.

The Tax Consolidation Board, hereby recommends that any liens charged against the late Fred Arndt, for advances made to this debtor be discharged.

The Board submits in support of this recommendation:-

1. That it is reported that at the time the advances were made the debtor was residing on the S. ½, 31-10-28-4, 4th Mer., as a tenant and was not in a position to give any land security.

2. That collateral security was taken by way of chattel mortgage on livestock but nothing was realised from such security.

3. That the debtor died some years ago leaving no estate from which collection could be made under the personal covenant of the late debtor.

The Board therefore recommends that the liens be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

This party received the following advances from the Provincial Government, when farming the N.½-31-10-22-W.4th Mer., but was not in a position to give land security owing to the fact that he was only renting this property. The only security taken therefore consisted of chattel mortgages on four head of horses. One repayment was received in 1923 in the sum of $100.00 and the account in this connection now stands as follows:-

RELIEF:

Lien #3065	Jan. 23rd, 1923.		$42.00
Lien #3843	Mar. 23rd, 1923.		47.25
Lien #6857	May 13th, 1923.		49.50

Less Payment 1923.		13.97	28.50
			$81.22

After the decease of the debtor which occurred in 1926 the Department Inspector was instructed to call on the widow and ascertain what provisions had been made for the Government's securities, and found that one had died, but the other three were in the possession of Mrs. Arndt, who wished to keep them in order that she might carry on with the farm. In the year 1927 the widow remarried, at which time the Department again approached her in connection with the chattel securities and discovered that these animals had been turned loose during the winter and could not be located.

There is no further security for this advance and I would therefore recommend that the above mentioned balance be written off.

Sir:-

My son Alfred Thompson holds a [illegible]
African Volunteer, he is entry for the W. ½ of
Sec. 15-53-4-W. 4th. This land is very [illegible]
and the reason he took it was that there was no
other land available in that vicinity close to
entrance. He also has another soldier location
in that vicinity which, however, is much [illegible] for
land, and where he has done very little improvements.

Very recently two homesteaders in that
neighbourhood have abandoned their entries [illegible] gone
to the Peace River; these lands are the [illegible] and
S. W. ¼ of Sec. 1-63-3-W. 4th. In view of the
difficulties in the way of cultivation of the [illegible]-
15, I would ask on his behalf that he be allowed to
abandon his entry for that land, and take up the
[illegible] of Sec. 10 instead.

Kindly allow this communication to the
proper Branch and oblige to this request.

Ed Thompson

Sir:-

I enclose a letter received from Mr. [illegible] on behalf of his client, Mr. Alfred Thompson, who asks that his South African Scrip entry be transferred from the West ½ of 14-53-4-West 4th. to the West ½ of 14-53-4-West 4th.

The South-west ¼ of 14. has been cancelled, and lands to be open on the 9th. of this month. Entry for the W.½ of 14. has been allowed, the plan of survey having been sent to the Department on the 1st. of December; but to date no advice has been received of the cancellation of the entry here.

In view of the statements contained in Mr. Thompson's letter, I would recommend that he be allowed to enter with a view to obtaining for the land he desires.

If this recommendation is granted, I would be pleased if you would kindly wire to me "Allowed", as I propose to be left with sufficient money to pay the cost if such a course.

Sir:

Referring to your files 182413,182419, 185855, and to your telegram of the 12th instant. I may say it has been decided in view of the information furnished by a Homestead Inspector to grant Mr. Alfred Thompson the privilege of having his South African Volunteer Scrip entry for the South half of Section 15, Township 63, Range 4, West of the 4th Meridian, transferred to other land free of cost.

Mr. Thompson's scrip may be transferred to the West half of Section 19, Township 63, Range 3, West of the 4th Meridian, provided this half section is available and still vacant, and provided you are aware of no reason to the contrary. Henry

Sir:

I took over the above described quarter Section, at Edmonton Land Office on June 19th 1913 Henry No. 28 Entry number received letter and abandoned the land June 16-1916 and estimated improvements at a value of $500.00.

The person who filed on this land made a deposit of $10.00 at Edmonton Land Office and was advised by said Henry that I would be paid for my improvements as soon as the inspector had made his report.

The Edmonton Office under date of Feb 20th 1918 states that such report has not come to hand.

As it is most nearly 4 years since I abandoned this quarter section I should like to have the money for improvements, as I have not received a cent.

Will you please communicate

Sir,

Referring to your letter of the 7th ultimo, applying for an extension of time in connection with your S.A.V. homestead, the east half of section 18, Township 31, Range 13, West of the 4th meridian, I beg to say that before your application can receive attention, it will be necessary for you to furnish a medical certificate setting forth fully the facts in regard to your wife's health.

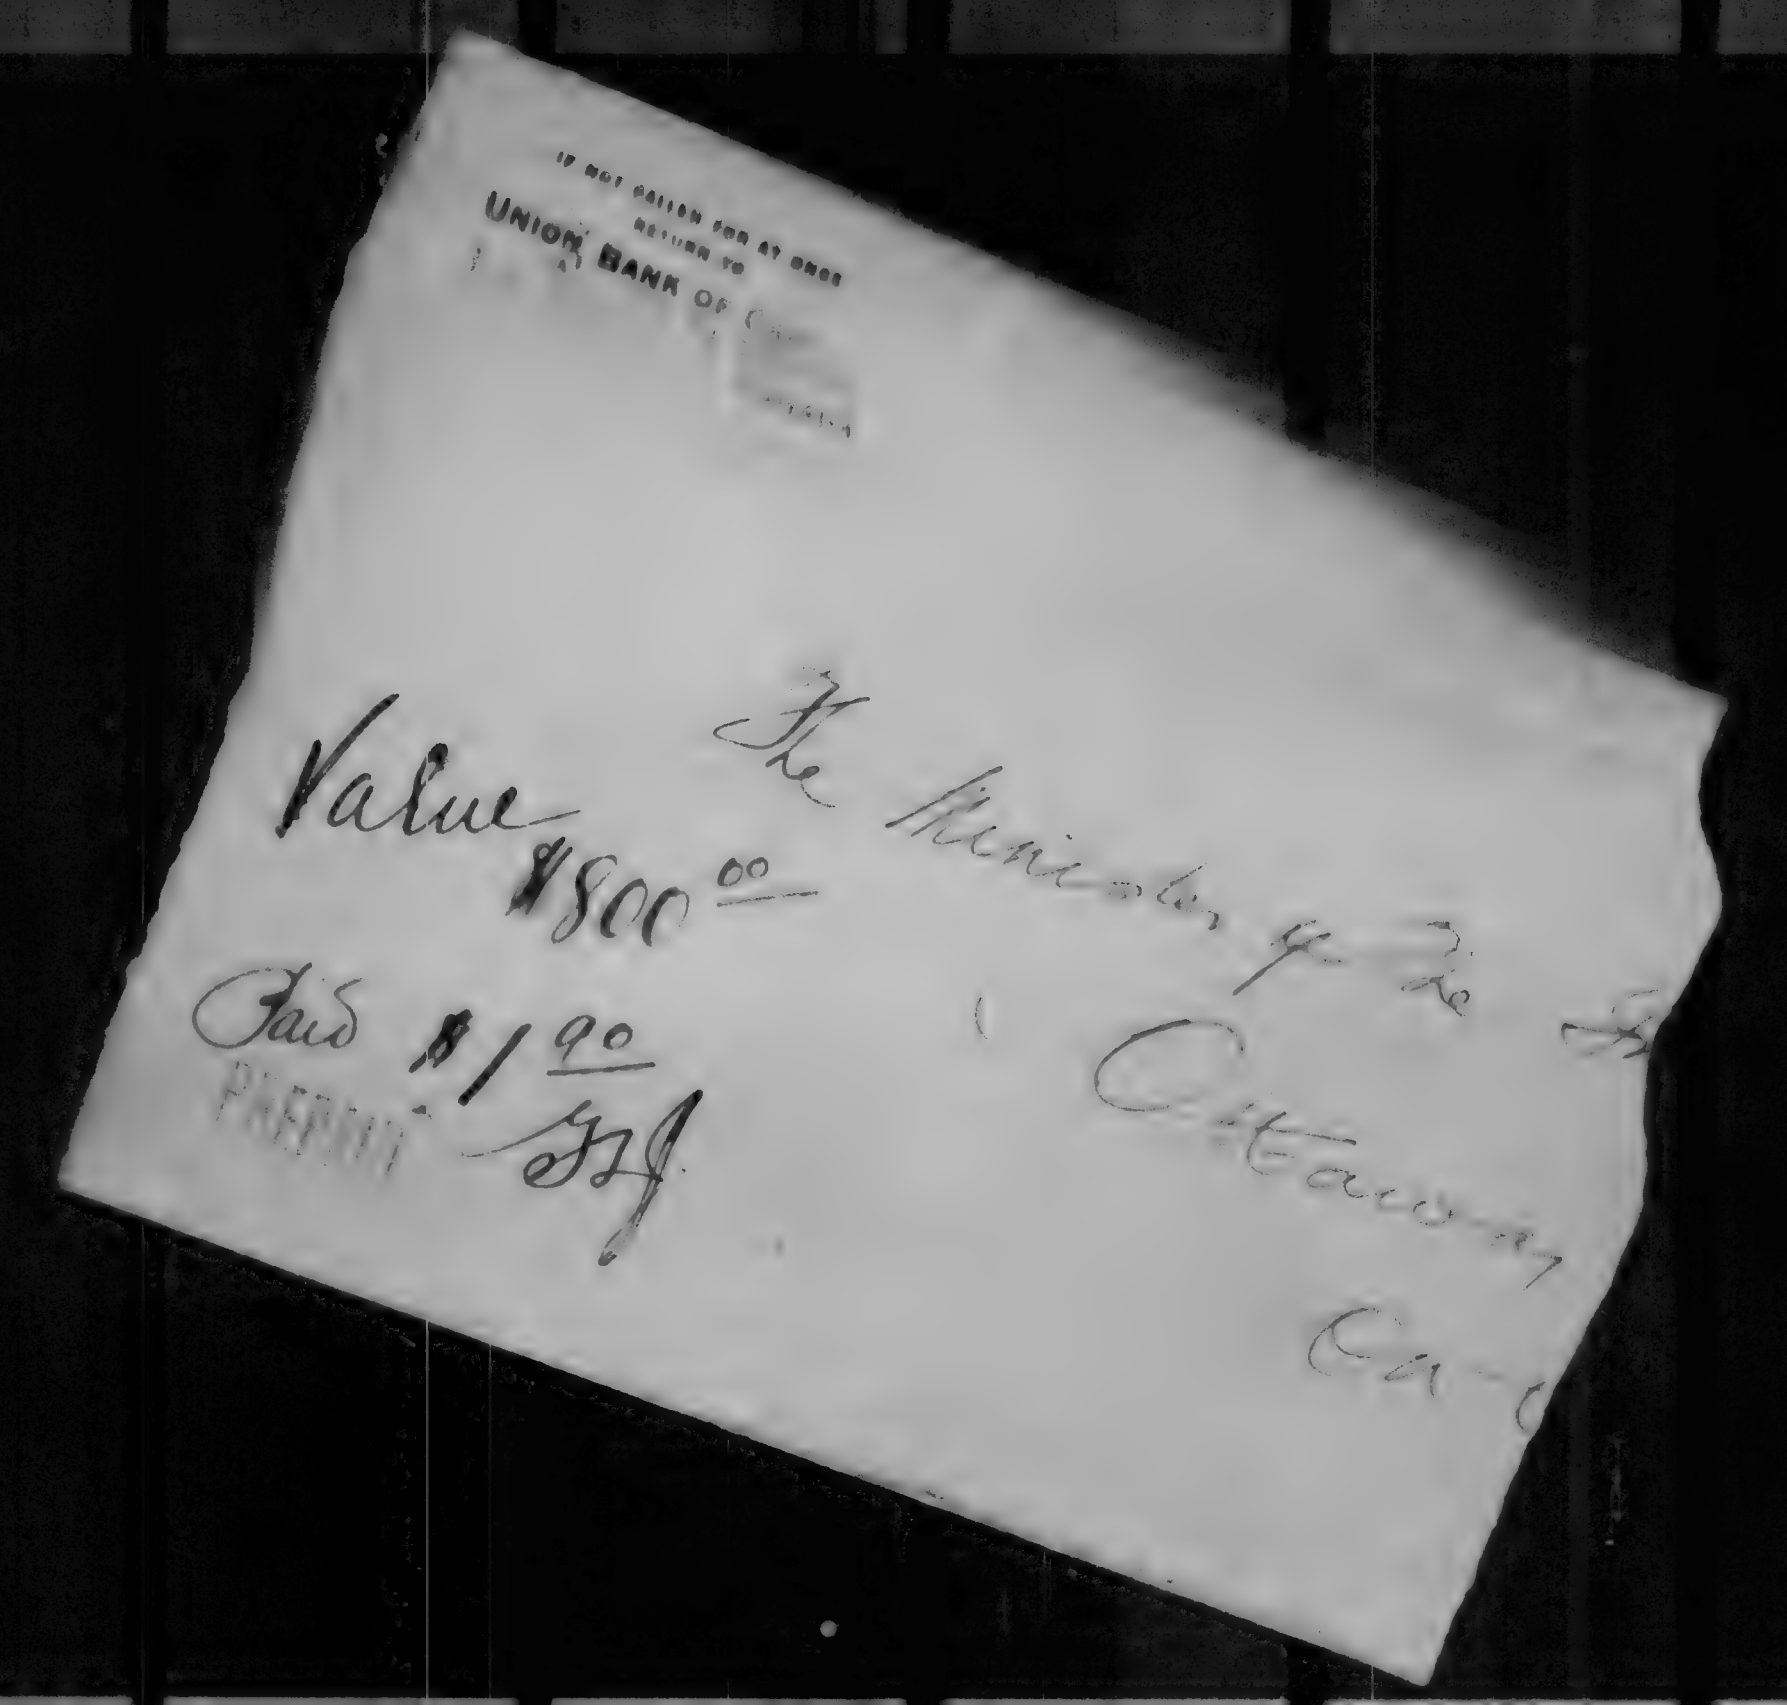

It is not at all likely that you can be granted an extension of time for so long a period as you desire, but on receipt of this certificate it will be considered whether or not you may be given a short extension of time.

Protection is not given in such cases for the mere convenience or profit of the entrant, but it is only granted on account of unforeseen and uncontrolable circumstances which render it either very difficult or actually impossible to fulfil the duties without protection.

Your obedient servant,

Secretary.

W.H.Lamb, Esq.,

The Minister of the interior.

Ottawa.

Sir:-

...ter of S.W.¼, west of the 4th meridian.

I desire you to expedite the settlement of the patent for the above mentioned quarter in the interests of a returned soldier, R.T.Alexander, now residing at Pine Creek, Alberta.

The particulars are as follows:-

The homestead was filed on by the soldiers father R.L.Alexander, at whose death by letters of administration was passed on to his widow Mrs R.L.Alexander. All the requirements of the act were fulfilled, but the house erected thereon was burned to the ground.

Some months ago, the son above mentioned (R.T.Alexander) returned from France totally unfit for further service. He asked for his discharge as early as possible, being anxious not to become a charge on the government, and to assist him to earn a living, his mother offered him her quarter, which added to his quarter would give him a sole room to raise cattle, he not being able to do farm work and having been a farmer prior to his enlistment.

He tells me that the patent is being held up for want of a $300 house and having one on his own quarter, has no need for such a building.

Alexander is of a quiet and independent turn of mind and is going to suffer a lot more than he has already suffered for his service in France, and it is your privilege to assist him to make [illegible] by waiving

(1)

the claims of the department and putting the patent through with ex-

edition.

I was here some time ago $300 worth of work on the land in question since it return. We found that he could do a little during the summer, though since November last his wife has had to do all the hard work, and he willst abl fill some clearing which he estimates at more than $300.

could not this be accepted in lieu of the house.$

I trust you will give this you earliest attention and let me know what can be done please,

I am, sir, Yours truly

Methodist minister.

Dear Sirs:-

Re W. A. Lawson- Section 34-4-14-W.4

My client received a letter from the Department of Natural Resources of C. P. R. Calgary some two weeks ago stating that they had forwarded Application for Patent to their Head Office at Montreal for completion on behalf of the Company and then it would be sent to the Department of Interior in order that Patent may be issued. It is most important that the Patent be issued as quickly as possible as it means a great deal to my client. I will be glad if you will advise me if you have had any communication from the C. P. R. regarding the delay.

Yours truly,

Mr.N.O.Cote,

The land referred to in the attached letter from Mr.B.N.Davis evidently forms part of the 800,000 acre tract sold to the Alberta Railway and Irrigation Company a good many years ago. I understand that title remains vested in the Crown until the lands, or any of them, are disposed of by the company, and that title is then issued directly from the Crown to the company's nominee. I presume, therefore, that this matter will be attended to by you.

COMMISSIONER

Memorandum:

Mr. Ewing.

Re H.L.[illegible] Crawford
Soldier grant - Henry Crawford.
Entry granted 2nd July, 1917.

The Commissioner has asked for a report in reference to a communication from Mr. [illegible] Mackenzie of Vancouver, B.C., Official Soldiers' Adviser, addressed to the Soldier Settlement Board with regard to the case of Henry Crawford.

It is represented that Mr. Crawford, who has made an unsuccessful application for patent, is in a position to negotiate a sale of his soldier grant.

It is also represented that Mr. Crawford was unaware of the residence conditions which attached to his entry and that owing to his circumstances it will be practically impossible for him to observe the requirements in that regard.

This correspondence is the outcome of advice from the Department to Mr. Crawford under date of the 14th September last, wherein he was informed in response to his application for patent that the required residence duties were not shown to have been completed and that the requirements in this regard would require to be fulfilled before his application for patent could be given further consideration.

I may say that Mr. Crawford made application for homestead patent for the S.E. [illegible]-8.4th W., on the 4th April, 1917, and according to the evidence submitted he has four terms of residence to his credit, three in connection with his homestead and one in connection with his soldier grant. Mr. Crawford was advised in the Department's letter previously referred to that he would require to perform three further terms of six months residence, it would appear that the requirements would be satisfied by two terms of six months residence, either on his homestead or soldier grant.

It is understood that Mr. Crawford is a [illegible] plasterer and trade in Vancouver at present and if, as he might be permitted to purchase the land at the price of $4.00 per acre in lieu of two terms of residence, which will entail the [illegible] authority of an Order in Council. A report for this will be found in the case of Lord Victor Seymour, Files No. [illegible] and 167164.

Certified to be a true copy of a Minute of a Meeting of the Committee of the Privy Council, approved by His Excellency the Governor General on the 1st AUGUST 1919

The Committee of the Privy Council have had before them a Report, dated 7th July, 1919, from the Minister of the Interior, submitting that on the 2nd July, 1918, Henry Crawford acquired entry for the North East quarter of Section 20, Township 17, Range 21, West of the 4th Meridian, as a soldier grant, under the provisions of the Soldier Settlement Act.

Under the regulations, the holder of an entry for a soldier grant is required to perform three terms of six months residence each and in this connection satisfactory evidence has been submitted to the effect that Mr. Crawford has performed one term of six months residence. Representations have been made indicating that Mr. Crawford will be unable for business reasons to complete the unfulfilled duties in this regard.

The Minister, therefore, recommends that Mr. Crawford be permitted to purchase his soldier grant at the price of $2.00 per acre in lieu of the performance of the unfulfilled residence duties, such sale to exhaust his right of entry under the Soldier Settlement Act, providing, however, that letters patent may not issue, other than in favour of the Soldier Settlement Board, pending repayment of the advance made under the Soldier Settlement Act, which now constitutes a charge against the land.

The Committee concur in the foregoing recommendation and submit the same for approval.

The Honourable
the Minister of the Interior.

Clerk of the Privy Council

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the evening of the following day.

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been just entered for by an adjoining settler on the last day on which such land became available for entry, or which has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

RIGHT OF ENTRY IN AREA A RESTRICTED

By Section [illegible] of the Act 15-16 George V, Chapter 19, "An Act to amend The Dominion Lands Act" it is provided as follows:—

"Notwithstanding anything contained in this Act no person shall be granted entry for any homestead within that part of the provinces of Saskatchewan and Alberta south of the south boundary of Township 16 in the Dominion Lands system of surveys unless such person submits evidence satisfactory to the Minister of the Interior that he or she is in permanent residence and conducting farming operations upon a farm of not less than eighty acres distant not more than nine miles in a direct line from the parcel for which entry is desired, exclusive of the width of road allowances crossed in the measurement, or that such person is the father, mother, son, daughter, brother or sister of a settler in permanent residence and conducting farming operations as aforesaid."

Re: Account of Oran S. Presho
N.W. 9-15-16-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1920 seed grain amounting to $290.40 was advanced to Oran S. Presho on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 290.40	$ 650.83	$ 941.23

The N.W. 9-15-16-W4 was formerly the homestead entry of the debtor whose entry was cancelled on the 15th of October 1924 and the land is still Crown Land held in the right of the Province.

The land is now under the jurisdiction of the Department of Lands and Forests, Province of Alberta, and it is presently included in a grazing lease (No. 60319) issued in the name of D.D. Jenkins of Vauxhall, Alberta. As such the land no longer offers any security of value for our advance.

Under the circumstances it is recommended that the indebtedness be cancelled.

W.F.Cote, Esq., I.S.C.,

Re Mr.Drake's memorandum of the 9th instant.

I do not see how patent can be issued in the way he suggests. Right of Way for irrigation works is only granted and reserved in the form of a permit of occupation. As it is apparent that the license can not be issued until the order-in-council referred to has been passed, what shall we do about the issue of patent to the homesteader?

Note: From Sta 1909+50 to 2168+50 bearings are referred to the East Line of Sec 28-13-18.

I hereby certify that this is a true copy of a portion of the plan certified and approved by the Commissioner and filed by

Ottawa, April 4th, 1912.

MEMORANDUM:---Mr. N.O. Cote,
Patents Branch.

With reference to our conversation over the telephone, respecting right of way for the canal of the Southern Alberta Land Company, Limited, over the S.E.¼ of sec. 23, tp. 13, rg. 18, west of the 4th meridian, I may say that although it is probably possible to describe from the plan, by metes and bounds, the land required for the canal on this quarter section, it would be very difficult to do so on account of the curves in the canal.

It seems to me, in view of the fact that the Company's right of way plan is registered in the Land Titles Office, that a certified copy of that part of it, which shows the canal on this quarter section, might be attached to the patent and that a clause might be inserted in the patent to the effect that it is issued subject to the reservation of the area required for the canal of the Southern Alberta Land Company, Limited, as shown on the plan attached to the patent.

I attach hereto a tracing of that part of the Company's right of way plan which shows the area required on the S.E.¼ of sec. 23-13-8-4.

The issue of patent for the N.E.¼ 25-14-20-4 is also being delayed pending the issue of a License of Occupation to the Southern Alberta Land Company. In this case however the authority of the Governor in Council to make the grant has not yet been obtained.

In this case there were outstanding certain advances in the joint right of the Province and the Dominion. The Adjustment Board of Alberta in their report dated 26th May, 1931, recommended that the indebtedness be written off as a loss. They also advised that the liens are not registered. Memorandum:-

On the 28th ultimo, a letter was prepared to the Manager of the Canadian Bank of Commerce, Medicine Hat, returning South African Volunteer Bounty Land Certificate No. 3132, issued to John Alexander Munro, together with an instrument appointing his substitute, which the Department had been requested to register in the name of George Jenkins. The documents were returned, as the name of the substitute, &c., &c., had been omitted from the instrument.

This letter, with its enclosures, which was sent in a closed envelope to the Assistant Secretary for signature in the usual way, does not appear to have been mailed from Mr. Pelletier's office, nor did it pass through the registered letter book; and has not reached its destination, the Bank of Commerce at Medicine Hat.

A thorough search has been made by Mr. Pelletier, but the letter, with its enclosures, has not been found, and under date of the 21st instant, the Bank of Commerce requests that the local agent be wired authority to accept the application of Jenkins, who was to be registered as the substitute, to apply the Scrip on the South half of Section 24, Township 14, Range 2, West 4th Meridian, which becomes open for entry to-day.

As the certificate has been lost (or mislaid) in the Department, I think that the request of the Bank should be complied with, after which a circular respecting the lost Certificate can be sent to the Agent for publication in the Canada Gazette.

Respectfully submitted,
